HI THERE!

Welcome to Dasonican and Company Nigeria Ltd

At Dasonic and Company Nigeria Ltd, we are dedicated to delivering innovative engineering solutions, infrastructure management, and technical services to both public and private sectors across Nigeria and beyond.

Our expert team brings together a blend of experience, quality, and cutting-edge technologies, ensuring that every project we undertake is executed with precision, safety, and efficiency. From comprehensive engineering consulting and structural integrity services to advanced project construction, our focus is on creating sustainable, cost-effective solutions that meet the evolving needs of our clients.

We pride ourselves on our commitment to excellence, professionalism, and integrity. At Dasonic, we foster strong partnerships, continuously develop our team's skills, and uphold international best practices to deliver results that stand the test of time.

Thank you for visiting Dasonic and Company Nigeria Ltd. We look forward to the opportunity to earn your trust and collaborate on projects that shape the future.

ABOUT COMPANY

Dasonic and Company Nigeria Ltd is a proudly indigenous company incorporated in 1997 under the Companies and Allied Matters Act. Founded and led by a visionary management team, Dasonic has grown into a trusted provider of engineering solutions and infrastructure services across various sectors. Our expertise spans across:

- Engineering and Facility Management
- Procurement and Logistics
- Project Construction and Consultancy
- Structural Integrity and Modeling Services

With over two decades of experience, we have successfully executed high-impact projects for both public and private clients, consistently delivering exceptional results. Our strength lies in a client-centric approach, deep technical expertise, and a commitment to quality, safety, and on-time delivery—all while maintaining cost-effectiveness and adhering to strict specifications.

At Dasonic, we prioritize long-term relationships built on trust, innovation, and measurable performance. We are dedicated to supporting the growth of Nigeria's infrastructure and economy through sustainable, innovative solutions.

OUR VISION

Vision

To be a nationally respected and globally trusted leader in engineering, infrastructure management, procurement, and technical services.

We strive to drive innovation, sustainability, and quality solutions that not only enhance local capacity but also support Nigeria's industrial growth. Our vision is to continually push the boundaries of excellence, ensuring our services create lasting impact both in Nigeria and across the global landscape.

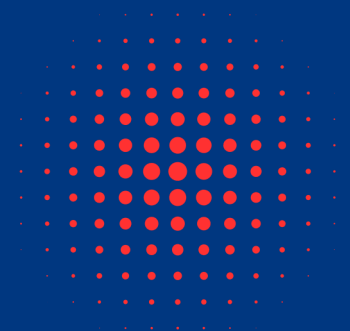

OUR MISSION

MISSION

To deliver cost-effective, reliable, and safe engineering solutions, with a strong focus on procurement, facility management, and environmental services.

We are committed to developing local content by investing in our people, suppliers, and host communities, while promoting operational excellence, sustainability, and continuous growth. Our mission is to build lasting value and drive impactful change through our innovative, high-quality services.

DASONIIC AND COMPANY (NIGERIA) LTD

CORE VALUES

INTEGRITY

We operate with honesty, transparency, and accountability in every engagement. Our word is our bond, and we uphold the highest ethical and professional standards.

EXCELLENCE

We pursue superior quality in service delivery, project execution, and client experience. Every assignment is approached with precision, discipline, and long-term value.

SAFETY

We maintain a zero-harm mindset across all operations. Health, safety, and environmental protection are integral to how we work, not optional.

INNOVATION

We apply practical engineering innovation and modern technologies to solve complex challenges. Continuous improvement drives efficiency, reliability, and long-term value.

TEAMWORK

We believe strong results come from collaboration. Our people, partners, and clients work together toward shared goals and successful outcomes.

SUSTAINABILITY

We minimize environmental impact and promote responsible resource use. Our solutions are designed to support long-term growth for clients, communities, and Nigeria's economy.

OUR SERVICE

Custom fabrication, installation, and technical support for durable and high-performance systems.

Design, analysis, modeling, and advisory services to ensure safe, efficient, and compliant infrastructure.

Planning, design, and execution of construction projects delivered on time and to specification.

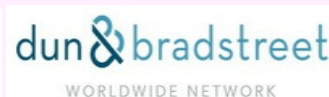

Impact assessments, remediation, and monitoring to ensure compliance and sustainability.

OUR CLIENTS

OUR COMPLIANCE

POLICY

STATEMENT

Health, Safety & Environmental (HSE) Policy

At Dasonic and Company Nigeria Ltd, we are committed to maintaining a safe and healthy work environment for all employees, contractors, and stakeholders. We prioritize the protection of people, property, and the environment through stringent safety standards, compliance with all applicable regulations, and proactive risk management. Our goal is to prevent accidents, reduce environmental impact, and ensure the well-being of everyone involved in our operations. Continuous training, awareness, and accountability are key to achieving these objectives.

Operational Policy

At Dasonic and Company Nigeria Ltd, we are dedicated to delivering high-quality services with efficiency and consistency. Our operations are guided by best practices, ensuring safety, reliability, and cost-effectiveness. We continuously optimize processes to meet client expectations while maintaining compliance with industry standards and regulations.

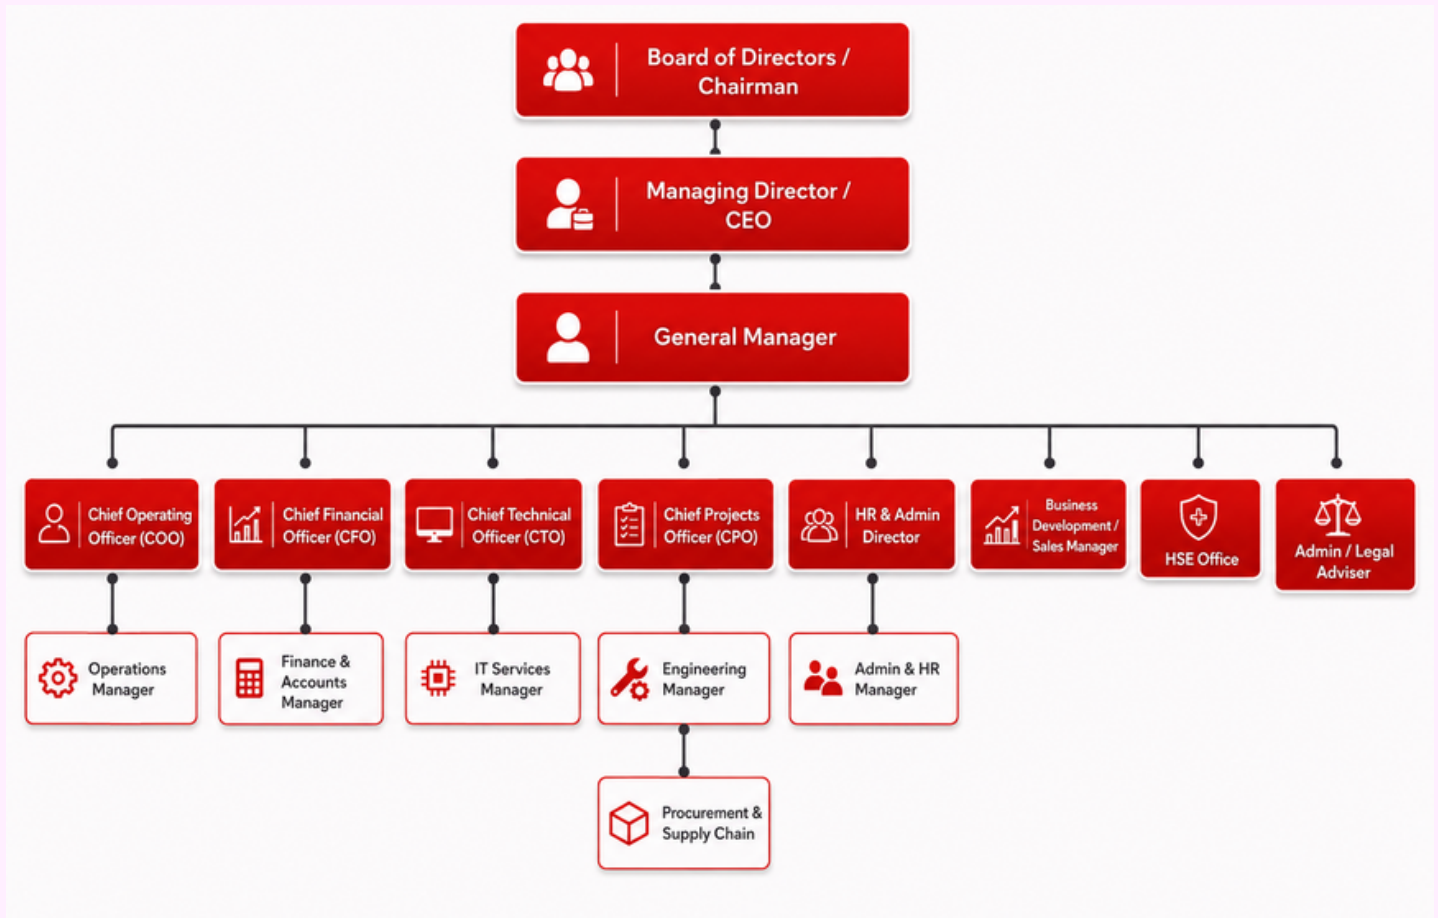

Quality Control Policy

At Dasonic and Company Nigeria Ltd, we are committed to delivering services that meet the highest standards of quality. Our quality control process ensures every project is executed with precision, consistency, and continuous improvement. We monitor performance, address potential issues proactively, and ensure compliance with all client specifications and regulatory requirements to exceed expectations.

Corporate Policies

At Dasonic and Company Nigeria Ltd, our corporate policies are designed to ensure ethical business practices, operational excellence, and compliance with local and international standards. We are committed to fostering a culture of integrity, responsibility, and sustainability across all aspects of our operations. These policies guide our decision-making, protect our stakeholders, and support the long-term success of our company. Let me know if you'd like to refine this further!

ORGANOGRAM

LOCAL CONTENT

In alignment with the Nigerian Local Content Act, Dasonic and Company Nigeria Ltd is committed to maximizing the use of Nigerian human resources, materials, equipment, and services across our operations, ensuring that our values of quality, safety, and environmental responsibility remain uncompromised.

We actively contribute to the development of Nigeria's industrial capabilities and the nation's economic growth by empowering local businesses and contractors. Our policy ensures that Nigerian content levels are met through deliberate efforts and measurable actions, while maintaining the highest standards of service delivery.

We adhere strictly to government policies and the approved Nigerian Content Plan, aiming to achieve the best value in terms of cost, quality, efficiency, and timely delivery, all while supporting the development of Nigeria's local industries. Our longstanding relationship with the Nigerian Content Development and Monitoring Board (NCDMB) is integral to our success, and we continue to foster collaboration with them to drive sustainable growth.

OUR PROJECTS

PROJECT TITLE:
ROAD CONSTRUCTION IN ONELGA,
RIVERS STATE

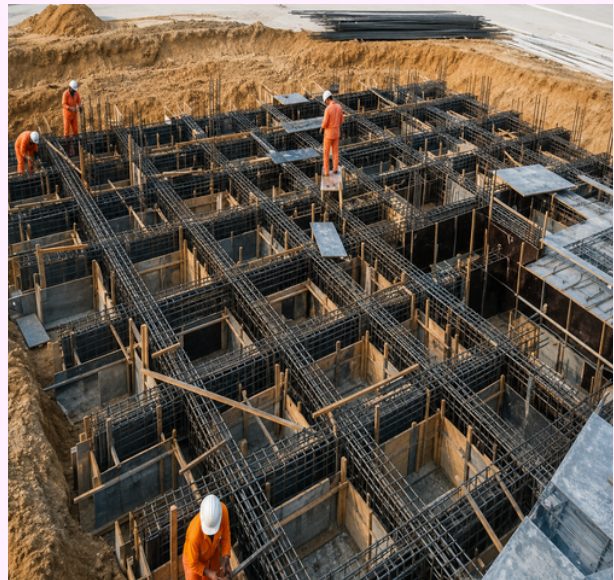

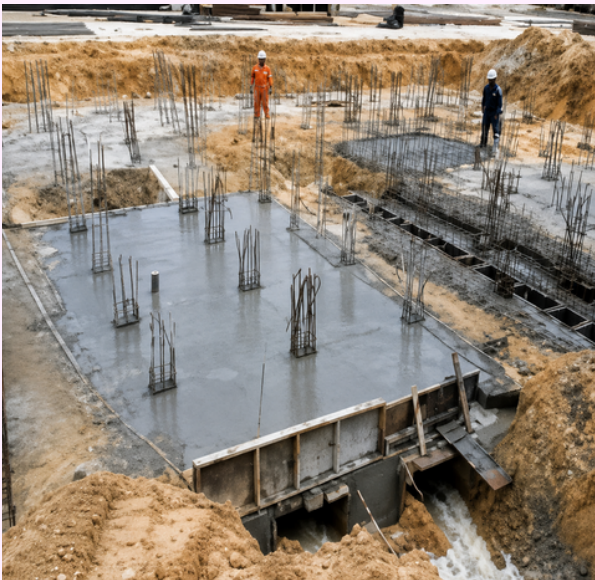

Brief Scope of Work

- Site Waste Audit & Segregation Plan: Identified and segregated construction waste for proper management.
- Licensed Treatment & Disposal: Ensured safe disposal of materials, adhering to regulatory standards.
- Hazardous Waste Handling & Reporting: Managed hazardous materials in compliance with safety protocols.
- Used-Oil & Hazardous Waste Handling to Specification: Proper handling and disposal of used oils and hazardous waste materials.

OUR PROJECTS

PROJECT TITLE: CELLAR SLAB RAFT FOUNDATION WORKS FOR OIL RIG DRILLING PLATFORM

Brief Scope of Work

- Site Preparation & Excavation: Prepared the site and excavated to the required depth for foundation installation.
- Raft Foundation Design & Construction: Designed and constructed the cellar slab raft foundation to support the oil rig drilling platform.
- Reinforcement & Concrete Works: Installed reinforcement and carried out high-strength concrete pouring to ensure stability.
- Quality Control & Safety Compliance: Conducted quality inspections and ensured adherence to safety and environmental standards.

OUR PROJECTS

PROJECT TITLE: CONCRETE PAVING WORKS FOR HEAVY DUTY VEHICLES & RIG OPERATIONS

Brief Scope of Work

- Site Preparation & Subgrade Stabilization: Prepared the site and stabilized the subgrade for heavy-duty vehicle and rig traffic.
- Concrete Paving Design & Execution: Designed and installed high-strength concrete paving to withstand heavy load demands.
- Reinforcement & Curing: Applied reinforcement and ensured proper curing to enhance durability and performance.
- Quality Control & Safety Compliance: Ensured adherence to quality standards and safety regulations during construction.

OUR PROJECTS

Project Title: CFA & Steel Pile Driving Works

Brief Scope of Work

- CFA (Continuous Flight Auger) Piling: Performed deep foundation installation using CFA techniques to ensure stable load-bearing capacity.
- Steel Pile Driving: Installed steel piles to support structures, ensuring durability and compliance with engineering standards.
- Soil Testing & Quality Control: Conducted thorough soil analysis and quality checks to ensure proper pile installation.
- Safety & Environmental Compliance: Implemented stringent safety measures and adhered to environmental standards throughout the process.

OUR PROJECTS

Project Title:
Clearing Operations & Excavation of Pit
with Swamp Buggy Excavator

Brief Scope of Work

- Site Clearing & Vegetation Removal: Cleared vegetation and debris to prepare the site for excavation.
- Excavation with Swamp Buggy Excavator: Used swamp buggy excavators for efficient digging and pit formation in soft or swampy ground conditions.
- Soil & Material Handling: Managed soil and materials, ensuring proper removal and disposal.
- Safety & Environmental Compliance: Implemented safety protocols and adhered to environmental regulations throughout the operation.

MEET OUR LEADERSHIP TEAM

DAGOGO ERNEST IBIAMA Chairman/Managing Director

Dagogo Ernest Ibiama is the Chairman/Managing Director of Dasonic and Company Nigeria Ltd, with over one decade of industry experience. A qualified Barrister, Dagogo has successfully led key projects for top clients like Shell, NNPC, Total, and NLNG.
